

Nadau ta Baptista (E)

Christmas for Baptista

I a tots los aveths
Qui arriden, qui arriden
I a tots los aveths
Qui arriden deu hred
E lo pair Nadau,
Qui vola, qui vola,
E lo pair Nadau,
Qui vola, la haut.

There are all the pines
laughing, laughing
There are all the pines
laughing with the frost
and father Christmas
flying, flying
and father Christmas
Flying up there

Sus los amorós,
Que nèva, que nèva,
Sus los amorós,
Que nèva tot doç,
E lo monde autorn,
Que vira, que vira,
E lo monde autorn,
Que vira, trop cort.

On the lovers
it's snowing, snowing
On the lovers
it's snowing softly
and the world all around
is turning, turning
and the world all around
Turning, too slow

Jo, tot au dehens,
Que t'aimi, que t'aimi,
Jo, tot au dehens,
Que t'aimi, tostemps.
Hens la crampa au som,
Baptista, Baptista,
Hens la crampa au som,
Baptista que drom

From the depth of my heart
I love you, I love you
From the depth of my heart
I love you always
In the bedroom up there
Baptista, Baptista
In the bedroom up there
Baptista is sleeping
